SARA LARSON
DESIGN

What message are you conveying to your audience?

Whether you need a logo design, a brochure, or a new online presence, Sara Larson Design is able to capture your story and tell it across the board handsomely.

Sara brings experience since 1979 ranging from small companies to large corporations and non-profit organizations. Sara often joins up with independent team specialists according to what a given project involves. This approach gives the client the best service at the most efficient price.

Brand identity, print media and interactive design that delivers. That is what Sara Larson Design does best. Contact Sara so she can help you get started.
